

## PRODUCT SPECIFICATIONS FOR LEASESTAR INTERACTIVE SITE MAP

UPDATED: March 5, 2020

These Product Specifications describe the current functionality and certain dependencies of the above-referenced product center (the “Product Center”). Access to and use of the Product Center is governed by an underlying agreement and, as applicable, addendum (collectively, the “Agreement”) with RealPage, Inc. and, as applicable, its affiliates (collectively referred to herein as the “Provider” “we” or “us”). Capitalized terms used in these Product Specifications have the meanings provided in the Agreement unless otherwise defined herein.

Subject to the terms of the Agreement, these Product Specifications may be modified at any time. If we modify these Product Specifications, we will post the updated version at <http://www.specifications.controls.realpage.com> and update the “Updated” date above. We recommend that you review these Product Specifications periodically for any changes. Your continued access to or use of the Product Center will constitute your acceptance of the updated Product Specifications.

### 1. AUTHORIZED USERS AND PASSWORD

Provider will provide the licensee under the Agreement (“Licensee”) with a user name and password permitting Authorized Users to access the Product Center. Licensee is responsible for the protection and dissemination of such user name and password and for any activities or actions occurring under Licensee’s account or log-in credentials—including, without limitation, for any losses or damages resulting from the loss, theft or misuse of or failure to protect any such user name or password. Licensee will permit only Authorized Users to access the Product Center, will ensure that all Authorized Users comply with the terms and conditions set forth in the Agreement and herein, and will not permit any person that ceases to be an Authorized User to continue to use a user name or password.

### 2. OVERVIEW OF LEASESTAR INTERACTIVE SITE MAP

LEASESTAR INTERACTIVE SITE MAP provides an interactive map that can be integrated in (a) a RealPage website template and positioned on the floorplan page or (b) a template for a third-party website.

LEASESTAR INTERACTIVE SITE MAP allows users to select (a) a floor level in a multi-level building or (b) a building at a garden-style property by either hovering over the image with a mouse or touching the screen to select a building/floor level. This enables end users to select an available unit or rentable item at the property and either lease the unit or rentable item or view more detailed floorplan information.

LEASESTAR INTERACTIVE SITE MAP provides the unit or rentable item location on a property site map when leasing an apartment unit online.

LEASESTAR INTERACTIVE SITE MAP includes these features:

- Permits integration with RealPage websites, RealPage Online Leasing, and OneSite
- Helps supplement SEO efforts
- Optimized for responsive website and tablet application
- Rentable item interactive site map (optional for additional cost)

### 3. DETAILED SPECIFICATIONS FOR LEASESTAR INTERACTIVE SITE MAP

  - 3.2. Supplements SEO efforts
    - a. Interactive features complement the Licensee's SEO initiatives.
    - b. Floorplan data that is synced with LEASESTAR INTERACTIVE SITE MAP is fully accessible by search engines.
    - c. Product content can assist with maximizing website rankings.
  - 3.3. Optimized for responsive website, mobile, and tablet application
    - a. Product is optimized for responsive website template.
    - b. Product is optimized for mobile and tablet application.
  - 3.4. Rentable item interactive site map (optional for additional cost)
    - a. The rentable item interactive site map permits integration with Online Leasing V3 and ActiveBuilding.
    - b. This map allows the user to find and reserve a rentable item.
    - c. The rentable item interactive site map is only available for Onsite customers.
- ### 4. CALIFORNIA CONSUMER PRIVACY ACT OF 2018 ("CCPA") DATA PROCESSING STATEMENT

This CCPA Data Processing Statement applies to "Personal Information" of a "Consumer" as those terms are defined under the CCPA (referred to hereafter as "Personal Data") that RealPage processes in the course of providing services under the Product Center ("Services") governed by the Agreement to Customer.

RealPage understands the terms in this CCPA Data Processing Statement and agrees to comply with them. The terms of this CCPA Data Processing Statement will prevail in connection with the purpose and scope of this CCPA Data Processing Statement over any conflicting terms in the Agreement.

- 4.1. Customer's Role. The Customer is a for profit entity that determines the purpose and means of processing Personal Data. Customer will provide Personal Data to RealPage solely for the purpose of RealPage performing the Services.
- 4.2. RealPage's Role. RealPage shall provide the Services and process any Personal Data in accordance with the Agreement. RealPage may not retain, use, or disclose Personal Data for any other purpose other than for providing the Services and in performance of the Agreement.
- 4.3. Data Processing, Transfers, and Sales. RealPage will process Personal Data only as necessary to perform the Services, and will not, under any circumstances, collect, use, retain, access, share, transfer, or otherwise process Personal Data for any purpose not related to providing such Services. RealPage will refrain from taking any action that would cause any transfers of Personal Data to or from RealPage to qualify as "selling personal information" as that term is defined under the CCPA.
- 4.4. Sub-Service Providers. Notwithstanding the restrictions in Section 2.3, Customer agrees that RealPage may engage other Service Providers (as defined under the CCPA), to assist in providing the Services to Customer ("Sub-Service Providers"). RealPage carries out appropriate due diligence on each Sub-Service Provider and the arrangement between RealPage and each Sub-

- Service Provider is governed by a written contract which includes terms substantially equivalent to those set out in this CCPA Data Processing Statement.
- 4.5. Security. RealPage will use commercially reasonable security procedures that are reasonably designed to maintain an industry-standard level of security, prevent unauthorized access to and/or disclosure of Personal Data.
  - 4.6. Retention. RealPage will retain Personal Data in accordance with Customer instructions, the terms of the Agreement, or any applicable law(s), whichever requirement is controlling under the circumstances. At the termination of this CCPA Data Processing Statement, or upon Customer's written request, RealPage will either destroy or return Personal Data to the Customer, unless legal obligations require storage of the Personal Data.
  - 4.7. Assistance with Consumers' Rights Requests. If RealPage, directly or indirectly, receives a request submitted by a Consumer to exercise a right it has under the CCPA in relation to that Consumer's Personal Data, it will provide a copy of the request to the Customer. The Customer will be responsible for handling and communicating with Consumers in relation to such requests.
  - 4.8. Enforceability. Any provision of this CCPA Data Processing Statement that is prohibited or unenforceable shall be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof. The parties will attempt to agree upon a valid and enforceable provision that is a reasonable substitute and shall then incorporate such substitute provision into this CCPA Data Processing Statement.
